SLIDING FEE SCALE APPLICATION

POLICY: It is the policy of Cedar Point Health (CPH) to provide essential medical services regardless of the patient's insured status or ability to pay. Discounts are offered based upon household income and household size. A sliding fee schedule is used to calculate the basic discount and is updated each year using the federal poverty guidelines. Once approved, the discount will be honored for one year, after which the patient must reapply.

DISCOUNT APPLICATION PROCESS: Please complete the following information and return it to the front desk or email to the billing department at slidingfee@cedarpointhealth.com to determine if you or members of your family are eligible. This sliding fee scale will apply to all services received at this clinic or any other primary care CPH clinic. **Any specimen taken and sent out for processing by an outside laboratory or an x-ray interpretation by a consulting radiologist will be billed separately and not covered by this application.**
